Re: Tentative Approval  
Eagle Mine, MINEX CORPORATION  
Brown Mountain Mine, ADAMS MINING CO.  
Emery County, Utah

Dear Mr. Balmandario:

Enclosed are the public notices stating tentative approval of the mining and reclamation plans submitted for the:

- (1) Eagle Mine - ACT/015/008 MINEX CORPORATION  
Section 23, Township 23 South, Range 7 East  
Emery County, Utah
- (2) Brown Mountain Mine - ACT/015/007 ADAMS MINING COMPANY  
Section 13, Township 20 South, Range 8 East  
Emery County, Utah

Your plans are hereby given tentative approval by the Division. Publication of the notices, one time only, will now take place in a state-wide newspaper, as well as a local paper in Emery County. During the thirty (30) day period following the last date of publication the Division is open to receive comments from the public on these mines.

Should no objections of substance be received during the thirty (30) day waiting period, the plan will be granted final approval pending the posting of surety to cover reclamation costs outlined in the individual plans.

Please contact the Division if you have any inquiries on this process.

Yours truly,

Ronald V. Daniels, Coordinator  
of Mined Land Development
